

## DIVERSITY, INCLUSION AND GENDER EQUALITY POLICY

City Green Light S.r.l. is committed to creating an open, respectful, and pluralistic work environment where every individual can fully express their potential.

City Green Light S.r.l. recognizes and values the diversity of employees, collaborators, suppliers, and stakeholders as a factor for growth and success, aiming to enhance their experiences, skills, and qualities.

To further emphasize these values, City Green Light S.r.l. has introduced a Diversity & Inclusion and Gender Equality Management System, aligned with the ISO 30415:2021 international standard and the UNI PdR 125:2022 guideline.

City Green Light S.r.l. is committed to recognizing and appreciating individual diversity, fostering an environment that promotes both individual and collective development. To achieve this, the company adopts a diversity and inclusion management strategy aimed at creating an inclusive corporate culture, where individual differences are considered drivers of innovation and performance improvement at both a personal and organizational level.

This approach ensures that employee recognition and promotion within City Green Light S.r.l. are based on professional competencies and values such as fairness, honesty, responsibility, cooperation, and trust, fostering a work environment open to diversity.

Furthermore, City Green Light S.r.l. firmly believes that developing a cultural model that promotes gender equality creates value not only for the organization but for society as a whole.

Working in a fair and inclusive environment is essential to establishing mutual trust and respect among employees, contributing to sustainable corporate value.

City Green Light S.r.l. considers the synergistic growth of the company and the personal and professional development of each individual to be fundamental.

The Diversity, Inclusion, and Gender Equality Policy, together with the Social Responsibility Policy, applies to all employees, including job applicants during the selection process, as well as customers, users, and all stakeholders.

Prerequisites for Implementing the Diversity & Inclusion and Gender Equality Management Model

The Management considers the following prerequisites essential for implementing the Diversity & Inclusion (D&I) and Gender Equality Model:

Recognizing diversity;

Governing the organization inclusively;

Acting ethically and socially responsibly;

Developing a respectful workplace that fosters inclusion and a sense of belonging;

Communicating inclusively;

Supporting and advocating for Diversity & Inclusion.

Corporate Policies for Gender Equality and Inclusion

City Green Light S.r.l. believes in a gender equality culture and promotes corporate policies that ensure equal opportunities throughout the entire professional journey, from recruitment to onboarding, training, and career development.

The organization approaches this "lifecycle" through the following key aspects:

✓ Recruitment and Hiring: Implementing procedures that prevent gender disparities and promote equity among applicants.

✓ Career Management: Ensuring equal opportunities for professional development and career growth.

✓ Pay Equity: Adopting fair and non-discriminatory compensation policies.

✓ Parenting and Caregiving Support: Providing programs to support parents and caregivers.

✓ Work-Life Balance: Implementing measures to ensure a balance between professional and personal life.

✓ Prevention of Harassment and Abuse: Conducting training, assessments, and interventions to prevent and address workplace misconduct.
